

The church in Phoenix

## Persevere in Prayer

### ❖ **Pray for the saints to continue to pursue the Lord**

- By meeting in smaller numbers via the internet and,
- To pick up the burden to contact the newly saved believers and weak and dormant members.

### ❖ **Ask the Lord for vital group prayer companions, the twos and threes - Matthew 18:19-20**

- If the Lord leads you, submit a prayer companion form into the offering box.
- Please pray that the Lord will continue to strengthen the vital prayer groups in twos & threes.

### ❖ **Pray for full support of full time work for the whole church, in addition to the full time work at ASU**

### ❖ **Pray for the full time work at ASU to gain many remaining fruits**

- Continuing with bible studies and ministry series meeting
  - Please pray for the Lord's leading on continuing and carrying out of online bible studies and ministry series meeting
- Continual appointments with students
  - Virtual meeting would not prevent students from meeting
  - Especially, virtual meeting would not prevent students who went on to the spring break trip from meeting
- Pray for newly saved student contacts at ASU to enter into church life
- Pray for the full time workers to be strengthened and their practical needs met

### ❖ **Strengthen the district meetings both in Phoenix and in Tempe**

- More saints to rise up to function in the meetings and in church services

### ❖ **City of Tempe has issued the permit for District 2 building re-modeling**

- Pray for the coordinating brothers to find good contractors to complete the re-modeling in time

### ❖ **Please pray for the FTTA trainees:** In light of the rapidly developing situation related to the COVID-19 virus,

- The FTTA trainees were asked to return to their homes or sending localities and the training remotely beginning next Monday, March 23.
