Persevere in Prayer

❖ **Intercessory Prayer in North America**

- Sign up at <http://www.beseeching.org>
- To receive daily emails on prayer burden and crucial Bible verses

❖ **In vital groups of twos and threes**

- Pray for the health of the saints and meet the practical needs of those who are affected
- To meet with the saints only remotely
- To continue steadfastly to preach gospel, to cherish and nourish the newly saved believers and the weak and dormant members

❖ **Pray for the Summer semi-annual video training**

- Pray for the saints to exercise their spirit to diligently follow the training guidelines and schedule in message watching, group study and testing sessions
- For blending with the saints from Tucson and Flagstaff

❖ **Pray for the campus work at ASU**

- The "discipleship" training in the coming Fall semester
- To sign up and participate in the coming college training
- For the Lord's leading and guiding to broaden the content on our student club web site to reach college freshmen and college undergraduate students via social media
- For more full time serving sisters to join the campus team; one serving couple will suspend their service in ASU and another sister may potentially have a change of status
- To take care of the practical needs of the full time serving ones

❖ **Furtherance of the Lord's move in the Phoenix metro areas**

- Pray for the upcoming mountain state brother fellowship and blending at the end of July
- Pray for the establishing of the lampstand in Tempe this year
 - For the approval of corporation papers for the Church in Tempe
- Pray for a group of brothers willingly to be perfected and to rise up to function and serve
- To pray that the Lord will gain our young people and preserve them in the church life through proper shepherding, companionship, YP conferences and the SSOT

❖ **District 2 (TSC) building re-modeling**

- That the revised plumbing, framing and electrical remodel plans could be timely prepared, submitted and approved by the City of Tempe
- Safe and smooth works on the installation of the new electrical panels, bathrooms, class rooms and building entrance
