  - Arabic ministry books currently in Egypt need to be delivered to Israel. It is difficult for them to be sent directly from one country to another without a "middle-man country," to aid in the process. This matter needs prayer as there are a number of boxes of books that need to be delivered to the saints for their increased vision, digestion, supply, and enjoyment.
  - A number of boxes of Arabic ministry books were recently sent to Israel and are now in customs. Some questions are being asked. We pray for the smooth release and delivery of the books.
  - We will have another periodic brothers' meeting this Saturday for all the brothers in Israel. Please pray that the Lord would use this time to increase the one accord for His unhindered move in Israel.
  - Please pray for the Spirit to operate throughout Israel in the hearts of the chosen ones and in their environment, that they would be ready to receive the gospel of the kingdom.
