- Prayer for the situation in Ethiopia
- From the churches in Israel
 - We are thankful for the prayers of the saints for the local conference in Israel this past weekend. The speaking was full of spirit and life, the burden released and the prophesying of the saints completed the speaking.
 - Please pray for the new ones that have met the saints and touched the church life over the past year, that they would be fully unloaded and able to see the mystery of God's economy. Please also pray for the acquaintances and relatives of the new ones, that the light of God's economy could continue to spread through warm doors in Israel.
