

# WEEKLY PRAYER BURDENS

June 28, 2022

The church in Phoenix

## Persevere in Prayer

(The prayer list below is for your consideration only. Please seek the Lord's leading in entering into His burdens.)

### ❖ Intercessory Prayer for North America

- Burdened for the GTCA cities to pray, to fellowship, to blend, to give and to migrate in the oneness and one accord of the Body to gain typical Americans.
- The 2022 July semiannual training will cover the crystals in 1 and 2 Kings. Please pray that the Lord will richly anoint the release and receiving of His word and take a further step in His move on earth to build up His Body and prepare His bride for His coming back.

### ❖ For the Lord's move on the earth

- **The Conflict in Ukraine**
  - Please continue to pray for the ruling of the heavens over the entire situation so that:
    - The Lord will use the shepherding gospel trips to Warsaw and Krakow, Poland, in June and July to bring many newly saved refugees into the church life, where they can be perfected to be living and functioning members for the building up of the Body. (Please see details in the letter from LSM.)
    - The shipment of Russian New Testament Recovery Versions that are held up in customs will be released and be distributed among the refugees in Europe.
    - The saints in Russia and Ukraine will be kept in the oneness of the Body and the reality of the new man, where Christ is all the members and in all the members.  
(To give directly to LME for needs related to Ukraine, please follow instructions at [lordsmove.org/offerings](http://lordsmove.org/offerings)).
- **Nordic-Baltic Conference in Stockholm, Sweden (22-25 July)**
  - Please pray for the Lord's timely speaking and for the blending of the saints in the Nordic countries, the Baltic States, and other Russian and English-speaking churches for the building up of the Body of Christ.
- **European parents online conference last weekend**
  - Please pray for the ongoing effect of this very encouraging time with the parents from across Europe.
    - There were 435 connections with a total of 668 adults from 41 countries - the largest were UK, Germany, and then Ukraine with 38 saints. Five wonderful messages were given by brothers Ricky, Tom and Ray: (1) The Vision of the "One Piece" Work, (2) The Work with the Children Being a Work of Preparation, (3) The Work with the Young People Being a Work of Perfecting, (4) The Work on the Campuses Being a Work of Propagation, (5) Having Dispensational Value to God in the Last Days to Turn the Age.
- Migration of burdened saints to six designated European cities (Barcelona, Brussels, Dublin, Lisbon, Rome, and Zurich).
- From the Church in London (see details in CIL prayer burdens)
  - Bower House Training Centre Construction Project
    - Please pray to release the final approval of the Bower House Training Centre Construction Project and to bind any more delays.
- From Turkey
  - Sister Li was baptized. Pray that the Lord will continue to work in this family so that they may inherit the grace of life together.
  - Please continue to pray for the Rhema readers in Adana. (Please see details in the letter.)
  - Sister Rainbow will graduate a few weeks later. She is applying for full-time training in London this fall. May the Lord lead her all the way and gain her for His return.

### ❖ In vital groups of twos and threes

- Pray for the saints to be warmed-up and recovered to the Lord as their first love. Pray that many saints will come out of on-line meetings to pray at meeting halls and TSC in-person, fighting for God's interests on the earth.

### ❖ Campus work at ASU

- Pray for the coming college conference
  - That many college students and serving ones will sign-up to join the conference.
  - Registrants will remain healthy and able to attend.

### ❖ Furtherance of the Lord's move in the Phoenix metro area

- Pray for the saints being burdened to serve in the children services on Lord's days and various needs in church life and meeting halls.
- Pray for the timing for The Church in Tempe to take ground.
